CHAPTER UPDATE

From Brother Michael Dittrich, Chapter Advisor

- ▶ Paired with Lambda Chi Alpha and Alpha Delta Pi for Greek Week.
- ▶ Membership - Our chapter has done an excellent job creating a sense of brotherhood and accountability. Our membership will drop to 22 to start the spring semester. Our VP of Recruitment, Eion Wilburn, already has some shirts designed and being printed by our very own Tim Grigsby. Brother Grigsby provided a quote for about 20% of the cost! Thank you, Brother Grigsby and Brother Roy, for helping the chapter in this matter.
- ▶ The last report from the chapter was that we had 5-6 guys ready to commit before the break. Spring rush is typically very low at SEMO, and several chapters do not actively recruit during this time. Our chapter is actively recruiting additional noblemen. We look forward to seeing the quality of the brothers we bring in for the spring.
